

# ADITYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

## IIPC CELL CIRCULAR

**we would like to inform you that For present 3rd year students the Internship spell start from 7th May as per Academic Calendar. In this regard we have to consider the following guidelines strictly as Internship has High Priority in now days and also done in a perfect process to give maximum benefit to our students.**

1. All the students should start process from **March 1st 2017** and end with **March 31st 2017**.
2. All the students should prepare a note about their interest of specialisation, liking area of domain, type of industries related their favourite subjects, etc.. before applying the Internship Request letter.
3. Maximum students should encourage to complete the Internship in 1st Spell as they can utilise the second spell duration for other priorities.
4. Students should follow our College website regularly. for all INTERNSHIP formats and list of companies and all other related information.
5. Students may give additional time period also by taking approval from higher authorities to do Internship more than 4 weeks if the students under gone Paid Internship or Quality Internship.

Please find some few Industries below which we got opportunity for our students.
