CONSULTANCY POLICY

RELATIONSHIPS WITH SPONSORS (i) The methods, contents and results of research that has been funded (fully or partially) by external funds, shall be fully disclosed. Full particulars of the person or institution from outside the Institute who funded the research shall be provided in the published results of the research. (ii) Researchers shall be honest with sponsors of their research about their qualifications and their research expertise and skills. Researchers shall ensure that sponsors require nothing of their research that is contrary with internationally acknowledged standards for ethical research. (iii) Researchers shall only utilize a sponsor's funds for purposes explicitly approved by the sponsor.
