ANNOUNCEMENT

*I am extremely delighted to share, on behalf of the Management, that our institution has once again achieved a remarkable milestone — the **Civil Engineering and Information Technology** branches have been Accredited (Valid upto 31st December, 2028) under (Tier I) by the **National Board of Accreditation (NBA)**.*

This achievement stands as a testament to the consistent commitment, hard work, and dedication of our faculty, staff, and students towards maintaining the highest standards of academic excellence and quality.

We are also eagerly awaiting the NBA results for the PG (MBA) programme, and we remain confident of receiving a positive outcome soon.

Congratulations to everyone who contributed to this success!
