CIRCULAR

Subject: Mandatory Awareness and Adoption of AI Tools in Teaching–Learning Process as per NEP-2020 & Industry 4.0 Requirements

All the Staff members are hereby informed that, as per the guidelines of the **National Education Policy (NEP) 2020** and the emerging expectations of **Industry 4.0**, all faculty members are hereby informed that the integration of **Artificial Intelligence (AI)** in teaching–learning, evaluation, administration, and research activities has become essential for academic quality enhancement and future readiness.

To align with national mandates and institutional digital transformation goals, faculty members are instructed to:

1. Gain Awareness of AI Tools:

Understand the role of AI in pedagogy, digital content creation, assessment, personalized learning, academic analytics, and automation of routine tasks.

2. Mandatory Registration on Agnirva Platform:

All faculty must **register on the AICTE-recommended platform “agnirva.com”** through the AICTE portal and explore the available AI-based teaching and learning resources.

3. Adopt AI Tools for Teaching & Learning:

Use AI tools for designing digital course materials, automated assessments, virtual labs, plagiarism-free content preparation, research support, and classroom engagement. This initiative aims to **reduce drudgery, routine paperwork, and manual processes**, thereby enabling faculty to dedicate more time to **research, innovation, and skill development**.

4. Training & Compliance:

Departments are instructed to ensure 100% faculty participation in AI training sessions and workshops that will be scheduled shortly. Usage of AI-enabled methods will also be considered during academic audits.

All faculty are requested to cooperate in this institutional effort toward **digital transformation, quality enhancement, and alignment with NEP-2020 recommendations**.
