EK BHARATH SHRESHTHA BHARAT CELL

CIRCULAR

Yuva Sangam Phase-VI organizes exposure tours for youth, mainly students from Higher Educational Institutions along with selected off-campus youngsters, to different States and Union Territories across India. The program offers an immersive understanding of the host State's culture, development, innovation, community life, and recent achievements, helping strengthen youth connection and national integration.

During the visits, participants gain multi-dimensional exposure through five key themes: Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Paraspar Sampark (People-to-People Connect), and Prodyogiki (Technology).

Through structured interactions, institutional visits, cultural activities, and experiential learning, Yuva Sangam Phase-VI promotes mutual understanding, deepens appreciation of India's diversity, and nurtures young ambassadors of Ek Bharat Shreshtha Bharat.
