

# ADITYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (AN AUTONOMOUS INSTITUTION)

## EXAMINATION BRANCH

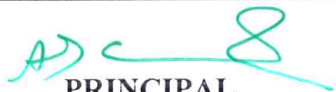

### III B. Tech - I SEMESTER – (AR23 REGULATION) MID-II EXAMINATIONS, OCTOBER-2026

#### TIME TABLE

| Date & Week               | Mid & Objective Timings |                      | CE                                                        | EEE                                                    | ME                                                                   | ECE                                                             | CSE                                                     | CSE (AIML)                                           | CSE (DS)                                              | IT                                                  |
|---------------------------|-------------------------|----------------------|-----------------------------------------------------------|--------------------------------------------------------|----------------------------------------------------------------------|-----------------------------------------------------------------|---------------------------------------------------------|------------------------------------------------------|-------------------------------------------------------|-----------------------------------------------------|
| 26.10.2026<br>(Monday)    | Mid & Obj.              | 10.00 AM to 11.40 AM | Managerial Economics and Management Science (23BHT314)    | Managerial Economics and Management Science (23BHT314) | Thermal Engineering - I (23MET308)                                   | Managerial Economics and Management Science (23BHT314)          | Computer Networks (23CST309)                            | Machine Learning (23CAT306)                          | Web Technologies (23CDT302)                           | Data Communication and Computer Networks (23ITT305) |
|                           | Mid & Obj.              | 02.30 PM to 04.10 PM | Basic Design of Reinforced Concrete Structures (23CET309) | AC Machines (23EET309)                                 | Manufacturing Technology - II (23MET309)                             | Antennas and Wave Propagation (23ECT310)                        | Formal Language and Automata Theory (23CST310)          | Modern Principles of Software Engineering (23CAT307) | Modern Principles of Software Engineering (23CAT307)  | Theory of Computation (23ITT306)                    |
| 28.10.2026<br>(Wednesday) | Mid & Obj.              | 10.00 AM to 11.40 AM | Transportation Engineering-I (23CET310)                   | Electric Power Transmission (23EET310)                 | Mechanisms and Machines Theory (23MET310)                            | Digital Integrated Circuit Applications (23ECT311)              | Advanced Web Technologies (23CST311)                    | Essentials of Web Technologies (23CAT308)            | Statistics with R Programming (23CDT303)              | Advanced Java and Web Technologies (23ITT307)       |
|                           | Mid & Obj.              | 02.30 PM to 04.10 PM | Irrigation and Water Resource Engineering (23CET311)      | Power Electronics (23EET311)                           | Design of Machine Members - II (23MET311)                            | Digital Signal Processing (23ECT312)                            | Artificial Intelligence and Machine Learning (23CST312) | Design Analysis of Algorithms (23CDT304)             | Design Analysis of Algorithms (23CDT304)              | Data Mining (23ITT308)                              |
| 30.10.2026<br>(Friday)    | Mid & Obj.              | 10.00 AM to 11.40 AM | P.E-I<br>Advanced Structural Analysis (23CEE311)          | P.E-I<br>Liner Digital Integrated Circuits (23EEE311)  | P.E-I<br>Geometric Modelling and Integrated Manufacturing (23MEE311) | P.E-I<br>Electronic Measurements and Instrumentation (23ECE311) | P.E-I<br>UNIX Internals (23CSE311)                      | P.E-I<br>Essentials of Big Data Analytics (23CAE313) | P.E-I<br>Predictive Analysis and Modelling (23CDE311) | P.E-I<br>UNIX Programming (23ITE314)                |
|                           |                         |                      |                                                           |                                                        |                                                                      | Computer Architecture & Organization (23ECE312)                 | Data Warehousing and Data Mining (23CSE312)             |                                                      | Data Handling and Data Visualization (23CDE313)       |                                                     |
|                           | Mid & Obj.              | 02.30 PM to 04.10 PM | Honors / Minor                                            | Honors / Minor                                         | Honors / Minor                                                       | Information Theory and Coding (23ECE313)                        | Honors / Minor                                          | Honors / Minor                                       | Honors / Minor                                        | Honors / Minor                                      |
| 31.10.2026<br>(Saturday)  | Mid                     | 02.30 PM to 04.00 PM | Constitution of India (23MCT305)                          | Constitution of India (23MCT305)                       | Constitution of India (23MCT305)                                     | Constitution of India (23MCT305)                                | --                                                      | --                                                   | --                                                    | --                                                  |
