ADITYA

Institute of Technology and Management

(An Autonomous Institution)

Department of Civil Engineering

Vision and Mission of the Institute

Vision

To evolve into a premier engineering institute in the country by continuously enhancing the range of our competencies, expanding the gamut of our activities and extending the frontiers of our operations.

Mission

Synergizing knowledge, technology and human resource, we impart the best quality education in Technology and Management. In the process, we make education more objective so that efficiency for employability increases on a continued basis.

Vision and Mission of the Department

Vision

To become a pioneer in the field of civil engineering by providing high quality education and research to serve the public consistently with competitive spirit professional ethics.

Mission

Provide quality knowledge and advance skills to the students in order to expertise theoretically and practically in the areas of civil engineering.

Improve the professional potentiality of the students and staff through educational programs to expand the knowledge in the field of civil engineering

Inculcate healthy competitive spirit towards the higher education and successful career in the field of civil engineering to serve the nation ethically.

Provide students and faculty with opportunities to create, disseminate and apply knowledge by maintaining a state of the art research.

Chairman's Message

At AITAM, we are committed to excellence in everything we do. We strive to mould the students in balancing intellectual and practical skills to become leaders in all the fields of Technical know-how and Management. We have created the finest facilities for the students to make the most of their scholastic pursuits. We are closely aligned with the corporate world which ensures exchange of ideas and experiences that keep our curricula focused on current developments and challenges in the field of engineering. We are firmly committed to research and consulting activities to contribute to the development of the discipline of engineering. Our vitality lies in our spirit of innovation. Our strength lies in our pragmatic approach. Our success lies in our will to do.

Dr. K. Someswara Rao
CHAIRMAN

Secretary's Message

Aditya Institute of Technology and Management is founded to meet the increasing demand for competent engineering graduates. Within a short span of its inception, AITAM has grown to be a premier engineering college of its kind and has won laurels and kudos from the industry. The faculty and staff in AITAM are dedicated to providing first-class education that instills strong and potent basic knowledge for sound practice in science and engineering for the well-being of the society. The Institute offers curricula that nurtures creative thinking and prepares students for productive and rewarding careers. The Institute offers programmes that deepen learning experiences of our students and prepare them for successful careers as engineers.

Sri L.L. Naidu
SECRETARY

Director's Message

Engineering education at AITAM is indeed a rewarding intellectual experience. The Institute prepares the engineering professionals of tomorrow imbued with insight, imagination and ingenuity to flourish as successful engineers. Our programs are attuned to the needs of the changing times. The classrooms are ultra-modern; the library and labs are cutting-edge; and all the members of the faculty are workaholic professionals and masters in their fields. Not surprisingly, our students are recruited by such renowned organizations as HCL, Satyam, WIPRO, INFOSYS, TCS, Visual Soft, Innova-Solutions and InfoTech. The exceptional dedication of our students, faculty and staff, and our collaborations with Industry and other institutions ensure that the Institute is well-poised to create a unique niche in the horizons of engineering education.

Prof. V.V. Nageswara Rao
DIRECTOR

Principal's Message

It is only through knowledge that man attains immortality. Knowledge has to expand or grow to remain as knowledge. The road to excellence is toughest, roughest and steepest in the Universe. The world requires and honors only excellence. Available information has to be directed by wisdom and intelligence to create new knowledge. Promotion of creativity is the new role of education. It is only through creative thinking that the present and future problems can be addressed to find dynamic solutions. Technology should be used to help remove poverty from the world. In fact forty per cent of the world's poor are in India. Confidence leads to capacity. It is faith in oneself that produces miracles. Education at AITAM helps build character, strengthen the mind, expand the intellect and establish a culture of looking at problems in a new perspective. The student is put through rigorous training so that he can stand on his own feet after leaving the portals of the Institute.

Dr. A. S. Srinivasa Rao
PRINCIPAL

HOD's Message

Welcome to the Department of Civil Engineering at AITAM, Tekkali. Our journey started in the year 2011. Over the past 4 years we have grown our competency and expertise in core Civil Engineering curriculum and research. Vision of the department is to become a pioneer in the field of civil engineering by providing high quality education and research to serve the public consistently with competitive spirit and professional ethics.

The primary focus of our curriculum is to impart technical know-how to students, improve their problem skills combined with innovative thoughts. The department is well equipped with state of the art laboratories for academics and research purpose. With funding from Technical Education Quality Improvement Program (TEQIP) and AICTE, special purpose lab equipment and software have been procured to support the research activities. Faculty members have excellent academic credentials possessing Doctorates and experienced staff from academics, research and core industry.

Dr. P. Dinakar

HOD, CIVIL DEPARTMENT

FACULTY PUBLICATIONS

1. Dr.B.Govinda Rajulu and Dr.P.Dinakar have published a paper titled as “A study that examines the durability, strength, and sustainability of fiber-reinforced concrete using various percentages of hooked steel fibre”, in “ Journal of Civil and Environmental Engineering”, December, 2024, pp.150-174.
2. Dr. H. Ramamohan, Dr. P. Dinakar, and Dr. B. Visweswara Reddy have published a paper titled as "Environmental impact assessment of Flora and its role in offsetting carbon along National Highway-16, India" in “Environmental Monitoring and Assessment” , Vol.196, No. 11, 2024, pp.1150.
3. Ramamohan, Hanumanthu has published a paper titled as “Breeding success and mortality rates in Painted Stork (*Mycteria leucocephala*) at Telineelapuram Bird Protected Area, India” , in “Journal of Asia-Pacific Biodiversity”, Vol. 17, No. 4, 2024, pp.624-630.
4. Dr.Sanjay Kumar Ray has published a paper titled as “Integration of Artificial Neural Networks and Machine Learning for Predictive Modelling of Structural Health in Civil Engineering Concrete Bridges”, in “Library of Progress-Library Science, Information Technology & Computer”, Vol. 44, No. 3, 2024.
5. Dr.Sanjay Kumar Ray, has published a paper titled as “AI-Enhanced Prediction of Pavement Crack Propagation: A Study Using Traffic Load, Environmental and Material Data”, in “South Eastern European Journal of Public Health”, 2024, Vol.25, No.1, pp. 1210–1215.
6. G.Gowrisankara Rao, G.Prasanna Kumar, G.Anil Kumar and Krupasindhu Biswal have published a paper on “Influence of rice husk ash & granite powder on strength properties of concrete” in " Journal of Polymers and Composites", 12(05), 2024, pp. 133-138.
7. G.Anil Kumar, G.Prasanna Kumar and Krupasindhu Biswal have published a paper on “Utilization of Recron fibers for improving subgrade stability of expansive soils” in “Journal of Polymers and Composites”, 12(05), 2024, pp.170-178.
8. M. Sai Babu, published a paper titled as “Artificial Neural Networks for Predicting Mechanical Properties of Reinforced Concrete: A Comparative Study with Experimental Data” in Library of Progress-Library Science, Information Technology & Computer, Vol. 44, Issue No. 3, p.17476, 2024.

FACULTY DEVELOPMENT PROGRAMME ORGANIZED

A One Week Faculty Development Program on “Managing Infrastructure in Urban Areas” was organized by Civil Engineering Department, AITAM Tekkali in collaboration with NITTTR, Chandigarh (O.Plan.No. ICT-69) from 25th November to 29th November, 2024. Dr. Badana Govinda Rajulu and Dr. H.Ramamohan acted as Conveners of the FDP.

The various sessions included in the entire Faculty Development Program are Introduction to Managing Infrastructure in Urban Areas, Planning for Zero Carbon Cities, Planning for Urban Green Spaces, Sustainable Transport in Urban Areas, Environment Impact Assessment for Infrastructure Projects, Role of Artificial Intelligence in managing Urban Infrastructure, Software Interventions for design of Infrastructure, Financing Urban Infrastructure, Governance in Urban areas, Zero Waste Cities, BIM and Digital Twins and their application for Design, Construction and Maintenance of Infrastructure, Role of GIS in Urban Infrastructure, IoT implementation for smart urban infrastructure.

Live Sessions for Faculty on “Managing Infrastructure in Urban Areas” during FDP

Honouring of Chief Guest and Guest of Honour with AITAM shield on the occasion of Engineers Day Celebrations

Various Competitions held among the students on the eve of Engineers Day Celebrations

Engineer's Day celebrations in AITAM are held every year on September 15 in commemoration of the birth anniversary of Bharat Ratna Sir Mokshagundam Vishveshvaraya. Various Competitions are conducted and meritorious students are awarded with prizes.

FACULTY ACHIEVEMENTS

- R.Chandra Sekhar, Assistant Professor, has secured a **TOPPER** position in NPTEL Online Certification course (12 weeks) “Railway Engineering” conducted by IIT Roorkee, July- Oct 2024.
- Dr.V.Sowjanya Vani, Associate Professor, has received **NPTEL STAR AWARD** and recognised as a **MOTIVATED LEARNER** and **BELIEVER** in Jan-Apr 2024 by IIT Madras.

Program:01

Activity Name: Blood donation camp on the occasion of “National Doctors Day”

Date: 01/07/2024.

Brief report:

AITAM NSS Unit on the occasion of “NATIONAL DOCTORS DAY” in association with Red Cross Society, Srikakulam, Government General Hospital, Srikakulam and Rotary Service Association, R.C. Srikakulam Central in association with AITAM, Tekkali organized Blood donation camp in our campus. 89 packets of blood have been collected from the students and certificates were issued by the Red Cross Society, Srikakulam and Government General Hospital, Srikakulam and Rotary Service Association, R.C. Srikakulam Central in association with AITAM, Tekkali. On this donation camp a speech was made by Dr. K. Someswara Rao, Rtn. PHF, Chairman AITAM, Prof. V.V.Nageswara Rao, Director, AITAM highlighting the students about the value of blood donation. Red cross Representative P. Chaitanya Kumar, Principal Prof. A.S.Srinivasa Rao, Prof. D.Vishnumurthy, NSS PO Venkata Maruti Prasad S and other faculty members, students, NSS volunteers participated.

Program: 02

Activity Name: Plantation on the occasion of “Ek Ped Maa ke Naam”

Date: 06/07/2024.

Brief report:

AITAM NSS Unit has conducted a plantation programme called “EK PED MAA KE NAAM” on 6th July, 2024 at 11:30 AM at our College Campus. In this connection, the Director, Principal, Treasurer, Secretary, all HODs, Faculty and students of AITAM, Tekkali are participated and planted 50 saplings successfully.

No. of Student participated: 100

No. of Faculties participated: 10

Program: 03

Activity Name: Awareness Programme on Evil Effect on Account of Non User of Protective Headgear (Helmet)

Date: 12/07/2024.

Brief report:

AITAM NSS Unit has conducted an Awareness Programme on Evil Effect on Account of Non User of Protective Headgear (Helmet) on 12th July, 2024 at 3:00 PM at our College Campus. In this connection, Sri J. Srinivasa Rao (Honourable Senior Civil Judge, Sompeta & FAC, Tekkali), President Bar Association, Tekkali, Senior Advocates, Sri D.Sanjeeva Rao, Motor Vehicle Inspector, Tekkali, Sri T. Narasingarao, A.S.I., Tekkali and the Director, Principal, Treasurer, Secretary, all HODs, Faculty and students of AITAM, Tekkali are participated and they took oath on wearing of headgear (Helmet).

No. of Student participated: 250

Program: 04

Activity Name: Food Distribution Programme at Konusulakotturu, Tekkali.

Date: 25/07/2024.

Brief report:

AITAM Final Year Students and faculty came forward and donated & distributed Food at Sri Shirdi Sai Baba Temple, Konusulakotturu, Tekkali nearby the AITAM Campus, Tekkali on Dt: 25-07-2024. In connection with that, AITAM NSS Unit has supported and involved in the programme. In this connection, Donors, the Director, Principal, all HODs, Faculty and students of AITAM, Tekkali and NSS Volunteers are participated. AITAM NSS Unit thanked the H.O.D., faculty and student donor.

No. of student donors :71

No. of Faculties participated: 40

No. of NSS Volunteers participated: 20

Program: 05

Activity Name: Swatchatha-Plantation in AITAM Campus.

Date: 13-08-2024.

Brief report:

AITAM NSS Unit has conducted a Swatchatha-Plantation programme on 13th day of August, 2024 at 11:00 AM at our College Campus. In this connection, the Director Sir, Principal, NSS Departmental Coordinators, Faculty and NSS Volunteers of AITAM, Tekkali are participated and planted 50 saplings at various places in our campus successfully.

No. of Students participated: 60

No. of Faculties participated: 10

Program: 06

Activity Name: Independence Day Celebrations

Date: 15-08-2024.

Brief report:

AITAM NSS Unit celebrated Independence day in college campus. The main objective of this programme is to make every student to be a part of the Independence Day celebrations, so that they get accustomed to celebrate national festivals. College Chairman Dr. K.Someswara Rao , Secretary Sri. L.L.Naidu, Director Prof. V.V.Nageswara Rao, Director(R&D) Prof. D.Sriramulu, Principal Prof. A.S.Srinivasa rao, All Deans, HOD's and other faculty members, students, NSS volunteers participated. Program: 07

Activity Name: Vanamahotsavam 2024.

Date: 31-08-2024.

Brief report:

As per the directions of the district collector, AITAM NSS Unit is committed to increase the forest cover in the College Campus. As a part of this Government initiative, in our college we have conducted a Vana Mahotsav Programme on 31-08-2024 in order to plant as many saplings as possible. On that day the NSS volunteers have planted 50 saplings in various corners of the college campus. In this connection, Principal Dr. A.S. Srinivasa Rao, NSS Volunteers and Departmental NSS Coordinators have participated and planted the saplings.

No. of Students participated: 70

No. of Faculties participated: 50

[illegible]

Program: 09

Activity Name: Awareness Programme on Drug de-addiction

Date: 11-09-2024.

Brief report:

AITAM NSS Unit has conducted a programme on Awareness of Drug de-addiction to the 1st year B.Tech Students in our college campus. On this occasion, a pledge was made with some students in our college to avoid drug addiction. The damage caused to the family due to drug addiction was explained on this occasion. There was a discussion on what kind of measures should be taken by the youth and the society to prevent them from getting addicted to drugs. A discussion was held on how to give awareness to the students and the society about the precautions to be taken to prevent drug addiction. In this connection, students have been participated. Pledge was given by NSS Programming Officer and faculty of chemistry and physics were participated on this occasion.

Activity Name: Plantation Programme

Date: 30-09-2024.

Brief report:

AITAM NSS Unit has conducted a big plantation Programme at Vaddinavalasa Village with the collaboration of Reddy's Foundation and the village elders of Vaddinavalasa. The plantation programme held at Vaddinavalasa Village. In which, the guests gave awareness of plantation to enhance green cover, promote environmental awareness, and involve the community in sustainable practices. This initiative aligns with broader efforts to combat climate change and improve local biodiversity. A large-scale tree planting event was organized, where participants planted nearly 50 saplings of native species. The saplings were sourced from Dr. Reddy's Foundation nurseries to ensure adaptability and informative sessions were held prior to the plantation activity, educating villagers about the benefits of trees, including air purification, soil conservation, and climate regulation. Villagers, including children and elders, were encouraged to participate. A follow-up plan was established to monitor the growth of the planted trees. Villagers were assigned to water and care for the saplings for the first few months. To this event, Area Manager, Dr. Reddy's Foundation: Sri Naidu garu, M.P.P. Kurminaidu Garu, Village A.O: Venkatarao Garu, Farmer: I.Rammohana Rao garu, NSS PO: Venkata Maruti Prasad participated.
