ADITYA

Institute of Technology and Management

(An Autonomous Institution)

Department of Computer Science & Engineering

Data Science

Vision and Mission of the Institute

Vision

To evolve into a premier engineering institute in the country by continuously enhancing the range of our competencies, expanding the gamut of our activities and extending the frontiers of our operations.

Mission

Synergizing knowledge, technology and human resource, we impart the best quality education in Technology and Management. In the process, we make education more objective so that efficiency for employability increases on a continued basis.

Vision and Mission of the Department

Vision

To lead Data Science education and research, empowering students to innovate, solve problems and make impactful decisions using data-driven technologies for the benefit of society industry.

Mission

M1: Provide a strong foundation in data science for innovative thinking and problem-solving.

M2: Incorporate practical skills in database design, implementation, and decision-support systems to enhance business processes.

M3: Prepare students in creating effective data models, maintain data quality, gain insights, and manage large datasets.

Chairman's Message

At AITAM, we are committed to excellence in everything we do. We strive to mould the students in balancing intellectual and practical skills to become leaders in all the fields of Technical know-how and Management. We have created the finest facilities for the students to make the most of their scholastic pursuits. We are closely aligned with the corporate world which ensures exchange of ideas and experiences that keep our curricula focused on current developments and challenges in the field of engineering. We are firmly committed to research and consulting activities to contribute to the development of the discipline of engineering. Our vitality lies in our spirit of innovation. Our strength lies in our pragmatic approach. Our success lies in our will to do.

Dr. K. Someswara Rao
CHAIRMAN

Secretary's Message

Aditya Institute of Technology and Management is founded to meet the increasing demand for competent engineering graduates. Within a short span of its inception, AITAM has grown to be a premier engineering college of its kind and has won laurels and kudos from the industry. The faculty and staff in AITAM are dedicated to providing first-class education that instills strong and potent basic knowledge for sound practice in science and engineering for the well-being of the society. The Institute offers curricula that nurtures creative thinking and prepares students for productive and rewarding careers. The Institute offers programmes that deepen learning experiences of our students and prepare them for successful careers as engineers.

Sri L.L. Naidu
SECRETARY

Director's Message

Engineering education at AITAM is indeed a rewarding intellectual experience. The Institute prepares the engineering professionals of tomorrow imbued with insight, imagination and ingenuity to flourish as successful engineers. Our programs are attuned to the needs of the changing times. The classrooms are ultra-modern; the library and labs are cutting-edge; and all the members of the faculty are workaholic professionals and masters in their fields. Not surprisingly, our students are recruited by such renowned organizations as HCL, Satyam, WIPRO, INFOSYS, TCS, Visual Soft, Innova-Solutions and InfoTech. The exceptional dedication of our students, faculty and staff, and our collaborations with Industry and other institutions ensure that the Institute is well-poised to create a unique niche in the horizons of engineering education.

Prof. V.V. Nageswara Rao
DIRECTOR

Principal's Message

It is only through knowledge that man attains immortality. Knowledge has to expand or grow to remain as knowledge. The road to excellence is toughest, roughest and steepest in the Universe. The world requires and honors only excellence. Available information has to be directed by wisdom and intelligence to create new knowledge. Promotion of creativity is the new role of education. It is only through creative thinking that the present and future problems can be addressed to find dynamic solutions. Technology should be used to help remove poverty from the world. In fact forty per cent of the world's poor are in India. Confidence leads to capacity. It is faith in oneself that produces miracles. Education at AITAM helps build character, strengthen the mind, expand the intellect and establish a culture of looking at problems in a new perspective. The student is put through rigorous training so that he can stand on his own feet after leaving the portals of the Institute.

Dr.A.S.Srinivasa rao
PRINCIPAL

HOD's Message

Computer Science and Engineering (Data Science) is professional engineering discipline that deals with data analysis, machine learning and statistical methods to equip students to deal with large datasets and extract meaningful insights. Our department has well qualified and experienced faculty and staff to provide string foundation on data science for innovative thinking and problem solving. Our department guide the students to develop their skills in database design, implementation and decision support systems which will enhance business processes. Our department has conducted many student centric activities like hackathons , ideathon , guest lectures , expert talks to ensure students aware of latest developments in emerging areas and we encourage the students in participate in various outreach activities. Our department faculties are actively published in reputed international and national journals and actively participated in various international and national conferences to publish papers.

Dr. Naresh Tangudu,
HOD of CSD Department

Faculty publications

1. Dr. Naresh Tangudu from Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh, India, participated in the DST-SERB Sponsored 6th International Conference on Computer & Communication Technologies (IC3T 2024). The event was organized by the Department of AI & ML, School of Computing, Mohan Babu University, Tirupati, Andhra Pradesh, on October 4th and 5th, 2024. Dr. Tangudu presented a research paper titled "Multimodal Alzheimer's Disease Diagnosis Using Cross-Attention Transformers and Dense Networks with Dropout Regularization."
2. Dr. Naresh Tangudu from Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh, India, participated in the DST-SERB Sponsored 6th International Conference on Computer & Communication Technologies (IC3T 2024). This prestigious event was organized by the Department of AI & ML, School of Computing, Mohan Babu University, Tirupati, Andhra Pradesh, on October 4th and 5th, 2024. Dr. Tangudu presented a research paper titled "Multi-Class Cancer Subtype Classification from CT Images using an EfficientNet-Autoencoder Based Hybrid Model."

FACULTY DEVELOPMENT PROGRAMME/WORKSHOPS ATTENDED

1. **Mr. Jayavardhanarao Sahukaru**, an Assistant Professor at Aditya Institute of Technology and Management, successfully participated in the AICTE Training and Learning (ATAL) Academy Faculty Development Program on AWS Cloud Computing – Tools and Services. The program was conducted at Aditya College of Engineering from January 19, 2025, to January 24, 2025. The certification was issued by the All India Council for Technical Education (AICTE).
2. **Pedada Priyanka** successfully completed a four-week course on "Python for Data Science" during the July-August 2024 session. The course, identified by the code NPTEL24CS68S247400143, was offered through the NPTEL platform, providing valuable knowledge and skills in utilizing Python for data science applications.
3. **Kalyan Savalapurapu** successfully participated in a 10-hour National Faculty Development Program on "GenAI and Prompt Engineering using Microsoft Copilot." The program was organized by P B Siddhartha College of Arts & Science, in collaboration with Saraswati College of Engineering, CMR College of Engineering & Technology, and ExcelR Edtech Pvt. Ltd.
4. **Mr. Kalyan Savalapurapu** from Aditya Institute of Technology and Management, Tekkali, successfully participated in a five-day online Faculty Development Program on "Sustainable AI Applications & LLM Technologies for Health Data Analytics."
5. **Jayavardhanarao Sahukaru** from Aditya Institute of Technology and Management, Tekkali, participated as an author in the 6th International Conference on Computer & Communication Technologies (IC3T 2024). The conference, sponsored by DST SERB, was organized by the Department of AI & ML, School of Computing, Mohan Babu University, Tirupati, Andhra Pradesh, and took place on October 4–5, 2024.
6. **Kalyan Savalapurapu** from Aditya Institute of Technology and Management, Tekkali, successfully participated in a one-week Faculty Development Programme on "Cloud Application Development using IBM Cloud." The program was conducted by the Computer Science and Engineering Department in collaboration with IBM and took place from September 23 to September 27, 2024.

7. **Dr. Naresh Tangudu**, a faculty member at Aditya Institute of Technology and Management, successfully participated in the AICTE Training and Learning (ATAL) Academy Faculty Development Program on **"The Revolution of Large Language Models (LLMs) in Artificial Intelligence."** The program was conducted at **Vidya Jyothi Institute of Technology** from **November 18 to November 23, 2024**.
8. **Mrs. Pedada Priyanka**, a faculty member at Aditya Institute of Technology and Management, successfully participated in the AICTE Training and Learning (ATAL) Academy Faculty Development Program on **"Programmable Cities."** The program was conducted at the **Indian Institute of Information Technology Dharwad** from **December 9 to December 14, 2024**.
9. **Jayavardhanarao Sahukaru** from **Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh**, successfully participated in the **AICTE-recognized Faculty Development Programme on "Data Science using Python."** The program was conducted by the **Computer Science and Engineering Department** from **November 25 to November 29, 2024 (One Week)**, at **Aditya Institute of Technology and Management**.
10. **Mrs. Pedada Priyanka**, a faculty member at **Aditya Institute of Technology and Management**, successfully participated in the **AICTE Training and Learning (ATAL) Academy Faculty Development Program on "AWS Cloud Computing - Tools and Services."** The program was conducted at **Aditya College of Engineering** from **January 19 to January 24, 2025**.
11. **Mrs. Pedada Priyanka** from **Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh**, successfully participated in the **AICTE-recognized Faculty Development Programme on "Tools for Research in Cloud, Fog, and Edge Computing."** The program was conducted by the **Computer Science and Engineering Department** from **October 21 to October 25, 2024 (One Week)**, at **Aditya Institute of Technology and Management, Tekkali**.
12. **Kalyan Savalapurapu** successfully participated in a **10-hour International Faculty Development Program on "AI and Gen AI with Industry Application."** The program was organized by **MIT Academy of Engineering (MIT AOE), Maharashtra**, in collaboration with **The National Institute of Engineering, Mysore; Narasaraopeta Engineering College, Andhra Pradesh; and Matrusri Engineering College, Telangana**. The event, held from **July 16 to July 22, 2024**, was conducted in partnership with **ExcelR Edtech Pvt. Ltd.** and featured insights from industry and academic leaders.
13. **Kalyan Savalapurapu** successfully participated in a **10-hour International Faculty Development Program on "AI and Gen AI with Industry Application."** The program was organized by **MIT Academy of Engineering (MIT AOE), Maharashtra**, in collaboration with **The National Institute of Engineering, Mysore; Narasaraopeta Engineering College, Andhra Pradesh; and Matrusri Engineering College, Telangana**. Held from **July 16 to July 22, 2024**, the program was conducted in partnership with **ExcelR Edtech Pvt. Ltd.** and featured expert insights from industry and academia.
14. **Mr. Kalyan Savalapurapu**, an Assistant Professor in the **CSD Department** at **Aditya Institute of Technology and Management**, successfully participated in a **one-week online Faculty Development Program on "Optimization Techniques in Engineering Applications."** The program was conducted from **July 1 to July 6, 2024**, and was organized by the **Faculty Development Cell, Jawaharlal Nehru Technological University Gurajada Vizianagaram (JNTU-GV)**.
15. **Mrs. Pedada Priyanka** from **Aditya Institute of Technology and Management** successfully participated in a **Faculty Development Program (FDP) on Django**. This program provided valuable insights into Django, a high-level Python web framework, enhancing participants' knowledge in web development and application building.
16. **Jayavardhanarao Sahukaru** from **Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh**, successfully participated in the **AICTE-recognized Faculty Development Programme on "Tools for Research in Cloud, Fog, and Edge Computing."** The program was conducted by the

Computer Science and Engineering Department from October 21 to October 25, 2024 (One Week), at Aditya Institute of Technology and Management, Tekkali.

17. **Mrs. Pedada Priyanka** from **Aditya Institute of Technology and Management, Tekkali, Srikakulam**, successfully participated in **AVEN – A One Week Faculty Development Program on Artificial Intelligence**.
18. **Kalyan Savalapurapu**, who holds the position of Assistant Professor as of March 23, 2024. However, the document does not provide further details about any specific event, certification, or program. If this document is related to a particular Faculty Development Program (FDP), workshop, or certification.
19. **Mrs. Pedada Priyanka**, a faculty member at **Aditya Institute of Technology and Management**, successfully participated in the **AICTE Training and Learning (ATAL) Academy Faculty Development Program on "The Revolution of Large Language Models (LLMs) in Artificial Intelligence."** The program was conducted at **Vidya Jyothi Institute of Technology** from **November 18 to November 23, 2024**. This initiative was organized under the **All India Council for Technical Education (AICTE)**, with coordination by **Anusha Ampavathi (Associate Professor, AICTE Institute)** and leadership from **Dr. Sunil Luthra (Director & Bureau Head, Training and Learning Bureau, AICTE)**.
20. **Mrs. Pedada Priyanka** from **Aditya Institute of Technology and Management** successfully participated in a **Faculty Development Program (FDP) on Django**. This program provided valuable insights into **Django, a high-level Python web framework**, equipping participants with essential skills for web development and application building.
21. **Mrs. P. Priyanka**, an **Assistant Professor in the CSD & MCA Department**, successfully participated in a **two-day Faculty Development Program (FDP) on Design Thinking** held from **December 23 to December 24, 2024**. The event was organized by the **Institutions Innovation Council (IIC) at Aditya Institute of Technology and Management (AITAM)**.
22. **Mrs. Pedada Priyanka** from **Aditya Institute of Technology and Management** successfully participated in a **Faculty Development Program (FDP) on Django**. This program focused on enhancing knowledge and skills in **Django, a high-level Python web framework**, providing practical insights into web development and application building.
23. **Mrs. P. Priyanka** from **Aditya Institute of Technology and Management** successfully participated in a **5-day Faculty Development Program (FDP) on "Modern Data Science, Machine Learning, and Cyber Security Strategies (MDSMLCS)"**. The program was organized by the **Department of Computer Science and Engineering (Artificial Intelligence and Data Science)** and was **co-sponsored by Innove Intellects LLP**. It took place from **July 15 to July 19, 2024**, at **Panipat Institute of Engineering and Technology, Samalkha, Panipat**.
24. **Naresh Tangu** from **Aditya Institute of Technology and Management, Tekkali, Andhra Pradesh**, successfully participated in a **one-week Faculty Development Programme (FDP) on "Cloud Application Development using IBM Cloud in collaboration with IBM."** The program was conducted by the **Computer Science and Engineering Department** from **September 23 to September 27, 2024**, at **Aditya Institute of Technology and Management**. This FDP was organized by the **National Institute of Technical Teachers Training and Research (NITTTR)**,

GUEST LECTURES:

1. Dr. NareshTanguduwent as a Guest Speaker on the topic of the Internet of Things (IoT) for IV-year CSC students. The Session is scheduled for 12-08-2024 (Monday) at 9:00 AM.

2. Dr. NareshTanguduwent as a Guest Speaker on the topic of theDesign and Analysis of Algorithms (DAA - Unit V) for III-year CSE & CSC students. The session is scheduled for 23-10-2024 Wednesday) at 9:00 AM.

3. Dr. NareshTangudu went as a Guest Speaker on the topic of the "Introduction to Programming (IP)" for I-year EEE, MECH, ECE, CSE, CSM & CSC students. The guest lecture is scheduled for 09-12-2024 Monday) at 9:00 AM.

Chair a session at the 2nd International Conference on Signal Processing, Communication, Power, and Embedded Systems (SCOPE-2024), scheduled to be held from December 19-21, 2024, at our Paralakhemundi Campus.

Acting session chair for ICIPDIMS-2024 Organised by Department of CSE, Aitam in association with NIT , Rourkela.

EVENT:-C-INNOVATE PITCHFEST 2024

Date: 28-11-2025

Program: 24 HOUR HACKATHON

ISTE STUDENT CHAPTER

DATE: 20TH DEC TO 21ST DEC 2024

The poster is for a 24-hour hackathon organized by the ISTE Student Chapter at AITAM. It features a dark blue background with a subtle circuit pattern. At the top, there are logos for the Institution's Innovation Council (IIC), ISTE, NAAC (A+), NBA, NIRF, and AITAM. The main title '24 HOUR HACKATHON' is in large, bold, yellow letters, with 'ISTE STUDENT CHAPTER' below it in white. The dates 'Date : 20th Dec 2024 - 03 00 PM to 21st Dec 2024 - 03 00 PM' are listed. The problem statement is 'ANY THEME OR TECHNOLOGY' and the team size is '1 TO 4 MEMBERS'. Two prize boxes show 'Rs 3,000/- (1st Prize)' and 'Rs 2,000/- (2nd Prize)'. The organizers are the Institution's Innovation Council (IIC) and the Department of CSD & MCA, specifically for 3rd Year B.Tech Students. Coordinators are Mr. S. Jayavardhan (Assistant Professor, MCA) and Mr. D. Girish Kumar (Incharge SSC). The venue is Makers Space, D Block, AITAM. A note mentions that top-performing teams will have an opportunity to participate in Avishkaar Season 2. An illustration of three students working on laptops is on the right.
