ADITYAINSTITUTEOFTECHNOLOGYANDMANAGEMENT

Sri Aditya Educational Society (ESTD-2000) started a Technical Institution to impart the highest quality and standard in the north coastal A.P.under the aegis of eminent academicians, educationists, and professionals in the name of AdityaInstituteofTechnologyandManagementin2001.

Aditya Institute of Technology and Management is located at K. Kotturu, Tekkali, Srikakulam District, Andhra Pradesh. It is located in an extent of 50 acres of clean, green, and serene area. The institute has the beauty of modern-day Gurukul. It is situated on the banks of the river Vamsadhara at a short distance and has the sea at an hour's journey. The institute is provided with an enjoyable coastal climate.

ThecollegeismarchingaheadundertheableguidanceofChairmanRtn(PHF)Dr. K. Someswara Rao who is a paediatrician by profession and committed to socialservice with a special reference to technical education with unstinted support from Secretary Sri. L.L. Naidu, Director Prof. V.V. Nageswara Rao, and other members of the Sri Aditya Educational Society.

Aditya Institute of Technology and Management currently offers 8 UG programs in the disciplines of ECE, CSE, CSE(AI&M), CSE(DS), IT, EEE, CE, and MECH, a P.G program in MBA, and 5 disciplines of M. Tech. The total sanctioned intake per year is 1080 in B. Tech programs, 60 in MBA, and 60 in M.Tech.

The Aditya Institute of Technology and Management is rated as one of the best self-financing colleges in the north coastal Andhra Pradesh as it sets up the highest standards in all areas of curricular, co-curricular, and extra-curricular activities and in students' placements. The seats have been filled in all the branches every academic year is evidence that the college has got are put attention in the field of technical education. The college is affiliated with JNTU Kakinada and hence follows the curricula prescribed by the Boards of Studies of the affiliating university. Based on industry and student feedback, the college faculties interact with the university in updating the curriculum from time to time. The college offers some value-added courses to its students a part from the curriculum prescribed by the university.

The success of the college is due to its well-qualified faculty (out of **234** total faculty members 79 have Ph. Ds, 155 have PG qualifications with **56** having registered for Ph.D is)and several of them with rich experience in higher institutes of learning nation-wide. The senior faculty members always guide the junior faculty in honing their teaching and research skills. The progress of each course in every semester is closely monitored by a class committee that includes representatives of students. Electronic Digital Examination Process System for the end semester examination and online internal examination system are salient features of the evaluation system followed.

Thecollegeencouragesitsfacultytopursuefurtherresearchconsultancyandexte nsionactivitiesapartfromteaching.Thecollegemotivatesitsfacultytocontinue their research work. As a result, 56 of the faculty members are currently

registered for Ph.D. in various universities. The research work is being carried out by the faculty has resulted in the publication of 213 papers in journals and conferences during the last 5years.Thefaculty and students of the college take

Participate in extension activities by conducting short-term courses and participating in rural development work in neighbouring villages in collaboration with reputed social organizations. For its social service, the college has been awarded the prestigious gold medal from the Hon'ble Governor of Andhra Pradesh.

The college has a total built-up area of 25,349Sq.kmwith 49 classrooms, 3seminar halls of different sizes, and 74 laboratories. The current annual budget ofthecollegeisoftheorderofaboutRs.1,757.69lakhs. The College Library has about 30,457 volumes of books and has also a Digital Library with 200 journals as hard copies and 450 journals online. All the laboratories are provided with the state of art equipment namely computer labs, internet centre, language lab, and digital library. The college has 125 KVA, 24 hours power supply from A.P. State Electricity Board. Besides this, the college has three generators with a capacity of 325KVA, 125KVA, and 62KVA with 30UPS of a total capacity of 143.5KVA to ensure uninterrupted power supply for smooth functioning of all routine academic activities. Hostel accommodation is available for about 370 boys and 188 girls in separate hostels. Sports facilities are available with playfields for all major gamesandsportsspreadoveranareaofabout5acres.

The pass percentage has been consistently around 75% right from the inception of the college with some university ranks. The placement record for the previous three years has been laudable about 70% of eligible candidates get placed in various campus recruitment drives. The institute is always quality conscious and got NBA Accreditation for three programs in 2009 and NAAC Accreditation in 2011. Its commitment to quality and growth enabled AITAM to become a TEQIP funded institution, in Andhra Pradesh in 2011.

The management provides whole-hearted support for the improvement of the college in all aspects. About 90 lakhs of rupees are allotted every year for augmenting/modernizing the equipment to pursue M. Tech, Ph. D. works by giving them study leaves and financial assistance. The faculty and students are closely associated with all administrative and academic policy decisions through membership on appropriate committees.

Some of the innovative or effective methods introduced for good governance and for fostering high-quality performance by the faculty and students are the following:

- Continuous student Monitoring
- Faculty Incentives
- Collaboration with other firms
- Scholarships to meritorious students
- Promote entrepreneurship zeal among the students.
- Internal & External Trainings

MISSION

Synergizing knowledge, technology, and human resource, we impart the best quality education in Technology and Management. In the process, we make education more objectives of that the efficiency for employability increases on a continued basis.

CORE VALUES

(i) Contributing to National Development

Contributing to National development has always been an implicit goal of AITAM. Serving the cause of social justice, ensuring equity, increasing access to higher education, human resource development, and capacity building of individuals, to cater to the needs of the economy, society, and the country as a whole, there by, AITAM contributing to the development of the Nation.

(ii) Fostering Global Competencies among Students

With liberalization and globalization of economic activities, the need to developskilledhumanresourcesofahighcalibreisimperative.Therefore, AITAM is preparing the students to achieve core competencies and to face global challenges successfully innovative, creative, and entrepreneurial in their approach. Towards achieving this, AITAM established collaborations with industries, networked with the neighbourhood agencies/bodies, and foster a closer relationship between the "world of competent learning" and the "world of skilled work."

(iii) Inculcating a Value System among Students

Although skill development is crucial to the success of students in the job market, skills are of less value in the absence of appropriate value systems. In India, with cultural pluralities and diversities, it is essential that students imbibe the appropriate values commensurate with social, cultural, economic, and environmental realities, at the local and national levels. AITAM is shouldering the responsibility of inculcating desirable value systems among students.

(iv) Promoting the Use of Technology & Innovation

Technological advancement and innovations in educational transactions have to be undertaken by all, to make a visible impact on academic development as well as administration. To keep pace with the developments in other spheres of human endeavour, AITAM has enriched the learning experiences of it students by providing them with state-of-the-art educational technologies including Information and Communication Technologies (ICT). AITAM established Technology Incubation Hub, Business Incubation Centre, and Entrepreneurship Development Cell to encourage students& faculty to Innovation.

(v) Quest for Excellence

Institute is committed to excellence in all spheres of its activities, and through internal and external reviews, and will work towards continuous improvement. The Institute will demonstrate excellence by our people, programs, and outcomes, as well as by the quality of decisions and actions recognized through hawards and honours. This Quest for Excellence started with the assessment or even earlier, by the establishment of the Internal Quality Assurance Cell(IQ)on the campus.

(vi) Integrity

Integrity in volves honesty and fairness, consistency in instruction, ethics of scholarship, freedom of inquiry, and open and truthfull engagement with the community through effective communication, policies, and practices. Research and Teaching shall be carried out in an environment of academic freedom and honesty. The Institute will adhere to the standards of ethics in all its activities.

(vii) Transparency

The Institute will function according to defined procedures and rules, which will be informed to all stakeholders. The Institute will put all important information related to its functioning on the college website www.adityatekkali.edu.in
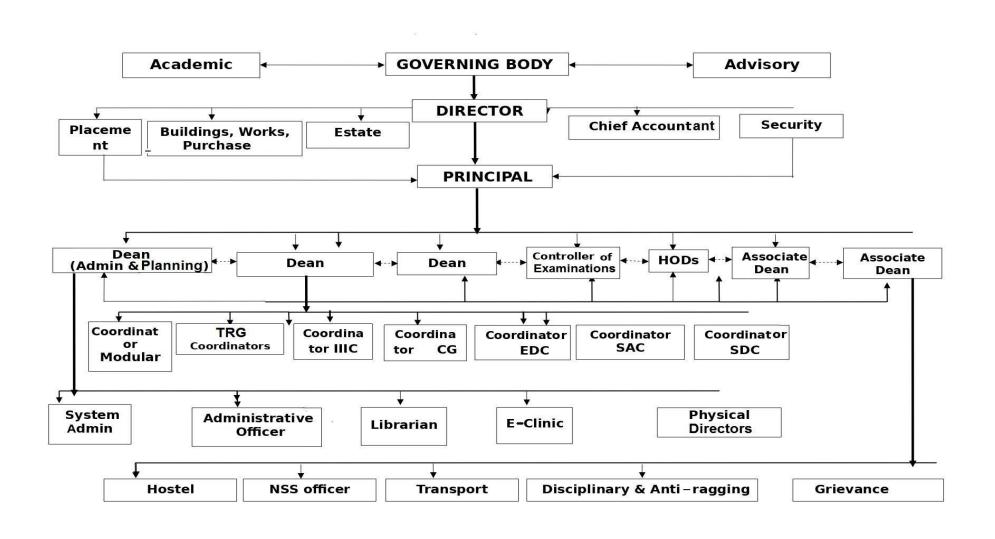

(viii) Empathy

Anawarenessoftheconditionsoftheweakersectionsofoursocietyandcontributions toward the solution to their problems will form an integral part of the research and education programs of the Institute. The vision articulates our future direction. The mission specifies our purpose of existence. The values assert our beliefs that guide our actions and behaviour. Taken together, they provide a road map to our destination.

FEEDBACK

FEEDBACKAN ALYSIS AND REWARD/CORRECTIVE MEASURES TAKEN, IF ANY

The feedback mechanism is a well-organized system in the college. The system of feedback collection is automated. For each student in a class, a new ID is created, by using that the student can log into the feedback marking software without giving their names. Once they logged in to the software, the list of faculties taking courses in that class will be displayed. They can enter their feedback according to a questionnaire. The software will analyse the collected feedback and summary the to head of the department with marks secured. HOD will analyse the feedback of each faculty and will take necessary actions.
