ADITYA
Institute of Technology and Management
(An autonomous institution)
Department of Information Technology

Vision and Mission of the Institute

Vision

To evolve into a premier engineering institute in the country by continuously enhancing the range of our competencies, expanding the gamut of our activities and extending the frontiers of our operations.

Mission

Synergizing knowledge, technology and human resource, we impart the best quality education in Technology and Management. In the process, we make education more objective so that efficiency for employability increases on a continued basis.

Vision and Mission of the Department

Vision

Create high-quality engineering professionals through research, innovation and teamwork for Information Technology services with outstanding faculty, facilities and education.
.

Mission

M1: Information Technology program dictates itself to provide students with a set of skills,knowledge and attitude that will permit its graduates to succeed and thrive information technologists.

M2: Enhanceoverallpersonalitydevelopmentwhichincludesinnovativethinking, Teamwork,entrepreneurskills,communicationskills,employabilityskillsand ethicalconduct.

M3: Ensuring effective teaching–learning process to provide in-depth knowledge of Inter disciplinary areas.
M4: Providingindustryinteractionsthroughconsultancyandsponsoredresearchfor the societalneeds.

Chairman's Message

At AITAM, we are committed to excellence in everything we do. We strive to mould the students in balancing intellectual and practical skills to become leaders in all the fields of Technical know-how and Management. We have created the finest facilities for the students to make the most of their scholastic pursuits. We are closely aligned with the corporate world which ensures exchange of ideas and experiences that keep our curricula focused on current developments and challenges in the field of engineering. We are firmly committed to research and consulting activities to contribute to the development of the discipline of engineering. Our vitality lies in our spirit of innovation. Our strength lies in our pragmatic approach. Our success lies in our will to do.

Dr. K. Someswara Rao
CHAIRMAN

Secretary's Message

Aditya Institute of Technology and Management is founded to meet the increasing demand for competent engineering graduates. Within a short span of its inception, AITAM has grown to be a premier engineering college of its kind and has won laurels and kudos from the industry. The faculty and staff in AITAM are dedicated to providing first-class education that instills strong and potent basic knowledge for sound practice in science and engineering for the well-being of the society. The Institute offers curricula that nurtures creative thinking and prepares students for productive and rewarding careers. The Institute offers programmes that deepen learning experiences of our students and prepare them for successful careers as engineers.

Sri L.L. Naidu
SECRETARY

Director's Message

Engineering education at AITAM is indeed a rewarding intellectual experience. The Institute prepares the engineering professionals of tomorrow imbued with insight, imagination and ingenuity to flourish as successful engineers. Our programs are attuned to the needs of the changing times. The classrooms are ultra-modern; the library and labs are cutting-edge; and all the members of the faculty are workaholic professionals and masters in their fields. Not surprisingly, our students are recruited by such renowned organizations as HCL, Satyam, WIPRO, INFOSYS, TCS, Visual Soft, Innova-Solutions and InfoTech. The exceptional dedication of our students, faculty and staff, and our collaborations with Industry and other institutions ensure that the Institute is well-poised to create a unique niche in the horizons of engineering education.

Prof. V.V. Nageswara Rao
DIRECTOR

Principal's Message

It is only through knowledge that man attains immortality. Knowledge has to expand or grow to remain as knowledge. The road to excellence is toughest, roughest and steepest in the Universe. The world requires and honors only excellence. Available information has to be directed by wisdom and intelligence to create new knowledge. Promotion of creativity is the new role of education. It is only through creative thinking that the present and future problems can be addressed to find dynamic solutions. Technology should be used to help remove poverty from the world. In fact forty per cent of the world's poor are in India. Confidence leads to capacity. It is faith in oneself that produces miracles. Education at AITAM helps build character, strengthen the mind, expand the intellect and establish a culture of looking at problems in a new perspective. The student is put through rigorous training so that he can stand on his own feet after leaving the portals of the Institute.

Dr.A.S.Srinivasarao
PRINCIPAL

HOD's Message

Information Technology is a professional engineering discipline that deals with application of computers to store, retrieve, transmit and manipulate data.

Our department has a team of qualified and experienced faculty and staff members and we are motivation both faculty and students continuously to improve the quality of education and to maintain its position of leadership in engineering and technology. The department guides the students to develop their technical skills and motivate them to learn in research methodology. Our department has been conducting National works hops and organizing seminars since its beginning to keep the faculty and students with the latest developments in the field of technical education. Our department faculties are actively published in reputed international and national journals and actively participated in various international and national conferences to publish papers.

Dr.Y. Ramesh
HOD of IT Department

Faculty publications

1. G JagadeeswaraRao, Assistant Professor, published a paper titled "**An integrated ensemble learning technique for gene expression**'' in International Journal of Information Technology in January 2024(2511-2104).

2. Smita Rani Sahu, Assistant Professor, published a paper titled "**Generation of Optimal Multicast Routing in VANET using Particle Swarm Optimization**'' International Journal of Engineering Trends and Technology in February 2024(2231–5381).

3. G JagadeeswaraRao Assistant Professor, published a paper titled "**Classification of gene expression from RNA-seq data for pancreatic cancer prognosis using ensemble learning**'' in   Journal of Applied Biology & Biotechnology in May 2024(2347-212X).

4. G JagadeeswaraRao, Assistant Professor, published a paper titled "**Identification of potential biomarkers for pancreatic ductal adenocarcinoma: a bioinformatics analysis**'' in Computer Methods in Biomechanics and Biomedical Engineering in May 2024(1025-5842).

5. Smita Rani Sahu, Assistant Professor, published a paper titled "**QoS Based Energy Efficient Hybrid Routing Protocols in RSU assisted VANET Using Clustering Mechanism**'' in International Journal of Electronics in June 2024(1362-3060).
