ADITYA

Institute of Technology and Management

(An autonomous institution)

Department of Information Technology

Vision and Mission of the Institute

Vision

To evolve into a premier engineering institute in the country by continuously enhancing the range of our competencies, expanding the gamut of our activities and extending the frontiers of our operations.

Mission

Synergizing knowledge, technology and human resource, we impart the best quality education in Technology and Management. In the process, we make education more objective so that efficiency for employability increases on a continued basis.

Vision and Mission of the Department

Vision

Create high-quality engineering professionals through research, innovation and teamwork for Information Technology services with outstanding faculty, facilities and education.

Mission

M1: Information Technology program dictates itself to provide students with a set of skills, knowledge and attitude that will permit its graduates to succeed and thrive information technologists.

M2: Enhance overall personality development which includes innovative thinking, Teamwork, entrepreneur skills, communication skills, employability skills and ethical conduct.

M3: Ensuring effective teaching–learning process to provide in-depth knowledge of Inter disciplinary areas.

M4: Providing industry interactions through consultancy and sponsored research for the societal needs.

Chairman's Message

At AITAM, we are committed to excellence in everything we do. We strive to mould the students in balancing intellectual and practical skills to become leaders in all the fields of Technical know-how and Management. We have created the finest facilities for the students to make the most of their scholastic pursuits. We are closely aligned with the corporate world which ensures exchange of ideas and experiences that keep our curricula focused on current developments and challenges in the field of engineering. We are firmly committed to research and consulting activities to contribute to the development of the discipline of engineering. Our vitality lies in our spirit of innovation. Our strength lies in our pragmatic approach. Our success lies in our will to do.

Dr. K. Someswara Rao
CHAIRMAN

Secretary's Message

Aditya Institute of Technology and Management is founded to meet the increasing demand for competent engineering graduates. Within a short span of its inception, AITAM has grown to be a premier engineering college of its kind and has won laurels and kudos from the industry. The faculty and staff in AITAM are dedicated to providing first-class education that instills strong and potent basic knowledge for sound practice in science and engineering for the well-being of the society. The Institute offers curricula that nurtures creative thinking and prepares students for productive and rewarding careers. The Institute offers programmes that deepen learning experiences of our students and prepare them for successful careers as engineers.

Sri L.L. Naidu
SECRETARY

Director's Message

Engineering education at AITAM is indeed a rewarding intellectual experience. The Institute prepares the engineering professionals of tomorrow imbued with insight, imagination and ingenuity to flourish as successful engineers. Our programs are attuned to the needs of the changing times. The classrooms are ultra-modern; the library and labs are cutting-edge; and all the members of the faculty are workaholic professionals and masters in their fields. Not surprisingly, our students are recruited by such renowned organizations as HCL, Satyam, WIPRO, INFOSYS, TCS, Visual Soft, Innova-Solutions and InfoTech. The exceptional dedication of our students, faculty and staff, and our collaborations with Industry and other institutions ensure that the Institute is well-poised to create a unique niche in the horizons of engineering education.

Prof. V.V. Nageswara Rao
DIRECTOR

Principal's Message

It is only through knowledge that man attains immortality. Knowledge has to expand or grow to remain as knowledge. The road to excellence is toughest, roughest and steepest in the Universe. The world requires and honors only excellence. Available information has to be directed by wisdom and intelligence to create new knowledge. Promotion of creativity is the new role of education. It is only through creative thinking that the present and future problems can be addressed to find dynamic solutions. Technology should be used to help remove poverty from the world. Infact forty per cent of the world's poor are in India. Confidence leads to capacity. It is faith in oneself that produces miracles. Education at AITAM helps build character, strengthen the mind, expand the intellect and establish a culture of looking at problems in a new perspective. The student is put through rigorous training so that he can stand on his own feet after leaving the portals of the Institute.

Dr.A.S. Srinivasarao
PRINCIPAL

HOD's Message

Information Technology is a professional engineering discipline that deals with application of computers to store, retrieve, transmit and manipulate data.

Our department has a team of qualified and experienced faculty and staff members and we are motivation both faculty and students continuously to improve the quality of education and to maintain its position of leadership in engineering and technology. The department guides the students to develop their technical skills and motivate them to learn in research methodology. Our department has been conducting National works hops and organizing seminars since its beginning to keep the faculty and students with the latest developments in the field of technical education. Our department faculties are actively published in reputed international and national journals and actively participated in various international and national conferences to publish papers.

Dr. B. Ramesh
Naidu
HOD of IT Department

Faculty publications

1. Smitha Rani Sahu, Assistant Professor, published a paper titled “**Robust Routing Optimization in VANET Communication Based on Bellman-Ford Multitier Metaheuristic Algorithms**” in International Journal of Communication System, Wiley in November 2024 (ISSN:2321-8169).
2. Smitha Rani Sahu, Assistant Professor, published a paper titled “**Immune based Optimal Multicast Routing in Vehicular Ad hoc Network**” in International Journal of Engineering Trends and Technology in June 2024 (ISSN: 2231–5381).
3. G Jagadeeswara Rao, Asst.Professor, published a paper titled “**Improved Software Effort Estimation Through Machine Learning: Challenges, Applications, and Feature Importance Analysis**”in IEEE Access in September 2024(ISSN: 2169-3536).
4. V. Ashok Gajapathi Raju, Asst.Professor, published a paper titled “**Smart grid stability prediction based on Bayesian-optimized LGBM for smarter energy management**” in International Journal of Advanced Mechatronic Systems, InderScience in December 2024(ISSN: 1756-8412).
5. Dr. P. Sudheer Kumar, Assoc.Professor, published a paper titled “**Some Fixed Point Results for Expansive Mappings in Dislocated Quasi-B-Metric Spaces with an application to Integral Equations**” in Communications on Applied Nonlinear Analysis in March 2023(ISSN:1004-9037).
6. Dr. Gali Nageswara Rao, Professor, published a paper titled “**Advanced wireless networking classification using transformer Based inception resnetv2 with non-Linear analysis**” in Journal of Computational Analysis and Applications in September 2024(ISSN: 1521-1398).
7. Dr. Gali Nageswara Rao, Professor, published a paper titled “**Smart Hybrid Models for Improved Breast Cancer Detection**” in Proceedings on Engineering Sciences in December 2025(ISSN: 2620-2832).
8. Dr. B Ramesh Naidu, Professor, published a paper titled “**Transformer-Based Neural Architectures for Automated Cancer Classification in Histopathology Images**” African Journal of Biomedical Research in December 2024(ISSN: 1119-5096).
9. Dr. B V Ramana, Professor, published a paper titled “**Leveraging LSTM and Multinomial Naive Bayes for Nuanced Textual-Based Sentiment Analysis**” in SN Computer Science, Springer in November 2024(ISSN: 2661-8907).
